

D2K Arcade

Enclosed cartridge for use with any

INTELLIVISION™
Video Game System

D2K Arcade

FOR ONE OR TWO PLAYERS

Classic arcade jumping and climbing action!

It is TWO games in one! The classic arcade game PLUS a second game with four all NEW levels based on the arcade hit

This package contains one D2K Arcade cartridge and playing instructions

D2K Arcade

THE REFINERY –
Oil, gas, and an array of safety valves... this level has "DANGER" written all over it. Outsmart Kong by putting out the fires guarding the top towers!

TWISTED GIRDERS –
A new barrels board loaded with surprises! Stay constantly alert because barrels travel both ways and flames rain down from above!

TRIPLE ELEVATORS –
Conquer your fear of heights and outsmart merciless fireballs guarding narrow and unforgiving columns. Don't forget the infamous springs!

THE MIXER –
A relentless cement mixer tops off empty pie plates while full ones twirl down from the sky! Can you master the timing it takes to clear each conveyor?

FOR ONE OR TWO PLAYERS

Game programmed by Carl Mueller Jr.
Game inspired by D2K: Jumpman Returns by Jeff Kulczy promotion Valter Prette
